The Ogeechee Technical College Police Department (OTCPD) is the primary law enforcement agency responsible for Ogeechee Technical College. We are a community - oriented police agency with a keen focus on the quality of life of the people we serve.

The safety of our community is our top priority, and we believe that it is a shared obligation. Our campus safety / police department team is committed to working in a partnership with members of the Ogeechee Technical College community to provide a safe and secure environment. This alliance begins with students, faculty and staff understanding and practicing basic safety and security measures, and reporting illegal activity, or suspicious circumstances immediately to the Office of Campus Safety & Security / Police Department. A supportive vehicle for understanding these concepts is the Annual Safety Report. (ASR)

On behalf of the members of the Ogeechee Technical College Police Department, we thank you for your interest in our Annual Security Report (ASR). The report is available to students, faculty staff and the public. It is published not only because it contains valuable information for our campus community, but also complies with the provisions of the Clery Act. We encourage you to review the details available in this document. You will find material about our organization, and the services that we provide. Evident, is our strong commitment to victims of crimes, support services that are available to our community and our philosophy on crime prevention through awareness and information sharing. NOTIFICATION OF NON-DISCRIMINATION IN EDUCATIONAL PROGRAMS AND ACTIVITIES

Ogeechee Technical College (OTC) is committed to maintaining a fair and respectful environment for living, work, and study. To that end, this is being accomplished in accordance with federal and state laws, as well as all Technical College System of Georgia policies.

Ogeechee Technical College does not discriminate based on race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government including any Workforce Innovation and Opportunity Act (WIOA) Title I financed programs, educational programs, and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.

Ogeechee Technical College promotes the realization of equal opportunity through a positive continuing program of specific practices designed to ensure equality in everything that we do.

Every member of the OTC community is expected to uphold this policy as a matter of mutual respect and fundamental fairness in human relations. All members of the faculty, staff, and student body are expected to ensure that nondiscriminatory practices are followed at the College. Any student, faculty, staff, visitor and third party with a complaint or concern that is related to these standards should contact the following person(s) that have been designated to handle inquiries regarding the non-discrimination policies:

CAMPUS SECURITY AUTHORITY (CSA)

A CSA is any of the following four groups of individuals and organizations associated with a college: campus police department or a campus security department of an college; any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into college property); any individual or organization specified in a college's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses; an official of a college who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to act or respond to particular issue son behalf of the college.

Even at colleges with a police department on campus, a student who is the victim of a crime may be more inclined to report it to someone other than the campus police. For this reason, the Clery Act requires all institutions to collect crime reports from a variety of individuals and organizations that Clery considers to be "Campus Security Authorities" or "CSA."

Because official responsibilities and job titles vary significantly on campuses, a list of specific titles would not be practical. To determine specifically which individuals or organizations are CSAs for OTC, consider the function of that individual or the office. Individuals whose functions involve relationships with students or have significant responsibilities for students and/or campus activities are considered a CSA.

Individuals may be designated as a CSA based on whether they perform the following functions:

- Their official job responsibilities involve significant interaction with students and/or campus activities.
- They serve as informal or unofficial mentors to students.
- They serve as a member in an office or on a committee to whom students are instructed and informed to report or discuss crimes, allegations of crimes, and other troubling situations.
- They have oversight for disciplinary procedures.

Examples of a CSA would be:

- Campus Police
- Local Police
- Individuals responsible for security (including contract personnel)
- Officials of the institution with significant responsibilities for student and campus activities (faculty and/or staff to student organizations)
- Any person who has the authority and duty to act and respond to issues on behalf of the college.
- Student Affairs professionals (Deans, Directors)
- Administrators who oversee off-campus instructional sites
- Title IX Coordinator
- Staff who provide safety escorts around campus

Whether or not an institution pays an individual IS NOT a factor in determining that individual is a CSA.

A CSA's primary responsibility is to report allegations made in good faith to the reporting structure established by the college. If the CSA receives the crime information and believes it was provided in good faith, the CSA should document it as a crime. By good faith it is meant that there is a reasonable basis for believing that the information is not simply rumor or hearsay. That is, there is little or no reason to doubt the validity of the information.

A Pastoral Counselor is defined as a person who is associated with a religious order or denomination is recognized by that religious order or denomination as someone who provides confidential counseling or is functioning within the scope of that recognition as a pastoral counselor.

A Professional Counselor is defined as a person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of his/her license or certification. This definition applies even to professional counselors who are not employees of the institution but are under contract to provide counseling at the institution. Pastoral and Professional Counselors are exempt from disclosing reported offenses. Pastoral and Professional Counselors must be acting in the role of Pastoral or Professional counselors to qualify for exemption.

There are no formal procedures that require pastoral or professional counselors to inform persons they are counseling of any procedures to report crimes on a voluntary and confidential basis for inclusion in the ASR.

ANNUAL SECURITY REPORT (ASR)

As required by the Clery Act, statistics concerning the occurrence on campus of criminal offenses reported by Campus Police officers to the Director for Campus Safety will be published annually in October. Policies are updated annually. This information will be posted on the Ogeechee Technical College website at <http://www.ogeecheetech.edu/current-students/campus-safety-security>, the United States Department of Education website at <https://ope.ed.gov/campussafety/#/>, and the Technical College System of Georgia website at <https://tcsge.edu/>. Printed copies are available through the Campus Safety Office.

Federal law requires Ogeechee Technical College to disclose information dealing with registered sex offenders in the College's service area. This information is posted on the Georgia Bureau of Investigation Sex Offenders Registry website at <https://gbi.georgia.gov/georgia-sex-offender-registry>.

Annual Security and Fire Safety Report (Clery Act) or a paper copy can be obtained at the Campus Safety Office, One Joseph E. Kennedy Blvd., Room 180, Statesboro, Georgia 30458.

REPORTING CRIMES AND OTHER EMERGENCIES

Ogeechee Technical College has several ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to appropriate College officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire College community that you immediately report all incidents to the Ogeechee Technical College Police at (912) 531-2367, (912) 681-5667, or 911. The Ogeechee Technical College Police Department is located at One Joseph E. Kennedy Blvd., in the Joseph E. Kennedy (JEK) Building.

Members of the College community must assume responsibility for their own personal safety and the security of their personal property. The following suggestions can provide guidance to protect against becoming a victim of a crime:

- Report all suspicious incidents and persons to the OTC Police immediately.
- Never take personal safety for granted.
- Try to avoid walking alone at night.
- Limit your alcohol consumption and leave social functions that get too loud, too crowded, or that have too many people drinking in excess.
- Carry only small amounts of cash.
- Never leave valuables unattended.
- Always carry your keys with you and do not lend them to anyone.
- Lock up bicycles using a U-Lock.
- Lock car doors and never leave valuables in view.
- Engrave numbers on your valuables and inventory your items.

Individuals are responsible for being aware of and complying with college procedures and applicable local, state, and federal laws. OTC students, faculty, staff, contractors, and visitors are encouraged to report crimes, sexual assaults, emergencies, potential threats, or risk accurately, voluntarily, and promptly to the College. Crimes and other emergencies should be reported to the OTC Police Department at (912) 531-2367 (emergencies) (912) 681-5667, (non-emergencies) or 911 for an emergency. Victims or witnesses of crimes on campus may report these crimes anonymously on a voluntary, confidential basis by calling the OTC Police Department at (912) 681-5667.

Criminal or suspicious acts and emergencies should be reported to the OTC Police Department immediately in person or by telephone.

The OTC Police Department encourages everyone who has become a victim of a crime to come forward and report it to the police. However, on occasion and depending on the nature of the crime the victim may refuse to press charges. This is the victim's option. Just because a report is filed with the police department does not mean that criminal charges must be filed. Students also have the option of contacting other College resources, such as the Assistant Vice President for Student Affairs Office, or Academic Advisors who will assist with notifications, if desired. Crimes can also be reported to the following Municipal Police Departments, the following County Sheriff's Departments or other local, state, or federal law enforcement agencies.

- Statesboro Police Department, 25 West Grady Street, Statesboro, GA., 30458 (912) 764-9911

- Bulloch County Sheriff's Department, 17257 Hwy 301 N., Statesboro, GA., 30458 (912) 764-8888
- Screven County Sheriff's Department, 202 Rocky Ford Road, Sylvania, GA 30467 (912) 564-2013
- Sylvania Police Department, 104 South Main Street, Sylvania, GA 30467 (912) 564-2056
- Evans County Sheriff's Department, 123 West Main Street, Claxton, GA 30417 (912) 739-1611

OTC will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased because of such crime or offense, the next of kin of such victim shall be treated as the alleged victim.

VOLUNTARY CONFIDENTIAL REPORTING

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage College community members to report crimes promptly and to participate in and support crime prevention efforts. The College community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the College or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. Confidential reports may be filed with any "Campus Security Authority" person (see page 8). The confidential reports allow the College to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security and Fire Safety Report. In criminal circumstances, the Campus Safety Department may not be able to assure confidentiality and will inform you in those cases.

Anyone may call the Ogeechee Technical College Police at (912) 681-5667 to report information.

Callers may remain anonymous.

REPORTING TO THE OGEECHEE TECHNICAL COLLEGE POLICE

We encourage all members of the College community to report all crimes and other emergencies to Ogeechee Technical Police in a timely manner. Though there are many resources available, Ogeechee Technical College Police should be notified of any crime, whether an investigation continues or not to assure the College can assess any and all security concerns and inform the community if there is a significant threat to the College community.

Students may also voluntarily and confidentially make reports to the college's Assistant Vice President for Student Affairs, who also serves as the Title IX Coordinator. College employees may make reports to the college's Human Resources Officer.

The Ogeechee Technical College Police Department's policy to monitor crimes off-campus against

recognized student organizations is structured by an agreement with local police agencies. It is the desire of the OTC Police Department to provide timely warning of crimes to the Ogeechee Technical College community whether the incident involved a student organization on campus or in a surrounding jurisdiction.

ANONYMOUS REPORTING

If you are interested in reporting a crime anonymously, you can report the information by calling (912) 681-5667 or (912) 531-2367 and leaving a message. We do not attempt to trace the origin of the person who calls unless such is deemed necessary for public safety.

REPORTING TO OTHER CAMPUS SECURITY AUTHORITIES (CSA)

While Ogeechee Technical College prefers that community members promptly report all crimes and other emergencies directly to the Ogeechee Technical College Police at (912) 681-5667, (912) 912 or 911, we also recognize that some may prefer to report to other individuals or College offices. The Clery Act recognizes certain College officials and offices as "Campus Security Authorities (CSA)." The Act defines these individuals as including any "official of an institution who has significant responsibility for student and campus activities. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution."

The following offices are examples of places where campus community members can report crimes:

- Ogeechee Technical College Police, One Joseph E. Kennedy Blvd., JEK Building, (912) 681-5667
- Executive Vice President for Academic and Student Affairs, One Joseph E. Kennedy Blvd., Health Science North Building, (912) 688-6061
- Human Resources, One Joseph E. Kennedy Blvd., JEK Annex Building, (912) 871-1801
- Assistant Vice President for Student Affairs, One Joseph E. Kennedy Blvd., JEK Building, (912) 486-7607
- Title IX Coordinator, One Joseph E. Kennedy Blvd., JEK Building, (912) 486-7607

PASTORAL AND PROFESSIONAL COUNSELORS

According to the Clery Act, pastoral and professional counselors who are appropriately credentialed and hired by Ogeechee Technical College to serve in a counseling role are not considered Campus Security Authorities when they are acting in the counseling role. As a matter of policy, the College encourages pastoral and professional counselors to notify those whom they are counseling of the Voluntary Confidential Reporting options available to them.

IT'S UP TO EACH OF US

Ogeechee Technical College takes great pride in the community and offers students, faculty, and staff many advantages. This community is a great place to live, learn, work and study; however, this does not mean that the campus community is immune from all the other unfortunate circumstances that arise in other communities. With that in mind, Ogeechee Technical College has taken progressive measures to create and maintain a reasonably safe environment on campus. Though the College is progressive with its procedures, programs, and education, it is up to each one of us to live with a sense of awareness and use

reasonable judgment when attending classes, working, or visiting on campus.

PREPARATION OF THE ANNUAL SECURITY REPORT AND THE DISCLOSURE OF CRIME STATISTICS

The Ogeechee Technical College Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by the OTC Police, information provided by other College offices such as Student Affairs Office, other Campus Security Authorities, and information provided by local law enforcement agencies surrounding each campus location. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned, leased, or controlled by Ogeechee Technical College. This report also includes institutional procedures concerning campus security, sexual assault, alcohol, and other drugs.

Ogeechee Technical College distributes a notice of the availability of this Annual Security Report by October 1 of each year to every member of the College community. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting the Ogeechee Technical College Police at (912) 681-5667 or One Joseph E. Kennedy Blvd., Statesboro, Georgia 30458.

OGEECHEE TECHNICAL COLLEGE CAMPUS SAFETY

The Campus Safety Department operates as a fully certified law enforcement agency and handles calls for all calls for service and those within the jurisdiction of Ogeechee Technical College. The Department is staffed Monday through Thursday, between the hours of 7:00am – 10:00pm. It employs two (2) full-time and eight (8) part-time sworn police officers, all of whom are certified as law enforcement officers by the Georgia Peace Officer Standards and Training Council. The department is responsible for the protection of persons and property on all campus properties. To accomplish this objective, officers routinely patrol the campus on foot, and in vehicles. OTC police officers enforce all the State of Georgia laws (including traffic laws) as well as the rules and regulations of the College. It is the policy of the Campus Safety Department for Ogeechee Technical College to professionally investigate and refer for prosecution any crime within its jurisdiction. OTCPD investigates all crimes which occur on campus and assists outside agencies if students, faculty, or staff are involved in incidents off campus.

All crimes or other emergencies occurring on the Ogeechee Technical College campus should be reported to the Ogeechee Technical College Police Department. The Ogeechee Technical College procedures designate Ogeechee Technical College Police Department as the law enforcement unit for the College. Students are encouraged to report crimes directly to OTC Police. Campus personnel are informed of this procedure through new employee/student orientation, as well as through the crime prevention talks. Written reports are made and followed up by the appropriate personnel in the Police Department.

The OTCPD /Campus Safety Department provides a walking escort service to faculty, staff, students, and visitors as requested.

The Officers also serve as liaisons with the offices of the District Attorney, FBI, GBI, and other law enforcement agencies.

The OTCPD / Campus Safety Department is responsible for the receipt and maintenance of physical records of all Police operations including incident/offense reports, accident reports, criminal records, and fingerprints.

Programs designed to inform students and employees about campus security procedures and practices are handled through the police department which organizes crime prevention sessions/classes with students, as well as faculty or staff. Human Resources also advises new employees about services available to them through Campus Safety.

Statistics detailing the on-campus occurrence of murder/non-negligent manslaughter, negligent manslaughter, sexual assault (forcible and non-forcible), robbery, arson, aggravated assault, burglary, motor vehicle theft, hate crimes, domestic violence, dating violence and stalking for the most current year as well as statistics for the two preceding years are maintained by the OTC PD and documented in the Annual Security Report (ASR). Statistics on arrests for violations of alcohol or drug abuse as well as weapons possession violations are also gathered and reported in the ASR.

The Police Department keeps statistical information on these crimes as well as any other felonies and misdemeanors (including traffic violations) in the Records Section of the Police Department. Statistics are distributed to the campus in the form of an annual statistical report published on the Campus Police website, <http://www.ogeecheetech.edu/current-students/campus-safety-security>.

Any monitoring of crimes off-campus is done by the agency of jurisdiction where the crime took place; however, OTCPD is usually advised by the agency in question or the victim (if a student) of the crime and will offer any assistance. Further, OTC PD is in daily contact with our brother/sister agencies via daily bulletins of crimes within their jurisdiction. And, we are connected via radio technology through the 911/Dispatch systems of those organizations.

The Campus Safety survey administrator (Director for Campus Safety/Chief of Police) gathers statistics on arrests for violations of alcohol or drug abuse as well as weapons possession from local law enforcement agencies. These violations are gathered and reported in the ASR.

OTC POLICE DEPARTMENT

The Chief of Police is responsible for the overall direction, development, and supervision of the Police Department. The areas of responsibility for the Chief of Police include primary administration, management, planning and research, budget preparation and management, recruitment and hiring, promotion selection, public information, and general orders development.

The Uniform Patrol Division provides basic patrol functions for the protection of persons and property. Each officer has completed training mandated by the State of Georgia and is sworn to uphold the laws of

the state.

Patrol officers provide a wide variety of law enforcement services including responding to calls for service, taking reports, conducting preliminary investigations, monitoring security of College property, responding to emergency incidents, traffic enforcement, traffic accident investigation, and security at special events. Officers patrol the Ogeechee Technical College campus and surrounding areas in marked police vehicles, and on foot.

PEACE OFFICER POWERS

Sworn members of this Department shall be considered Peace Officers pursuant to O.C.G.A. § 35-8-2.10 and O.C.G.A. § 20-4-39.

TRAINING

OTCPD employs a training coordinator who is responsible for conducting continuing training for all College police. Training subjects include criminal law, public relations, race relations, interpersonal communications, crisis intervention, critical incident response, and all other facets of protection of persons and property. Each officer is also certified in the use of deadly force and firearms each calendar year.

WORKING RELATIONSHIP WITH LOCAL, STATE, AND FEDERAL LAW ENFORCEMENT AGENCIES

The Ogeechee Technical College Police maintains a cooperative relationship with the Georgia Southern University Police, Georgia State Patrol, Georgia Bureau of Investigation, Statesboro Police, Bulloch County Sheriff's Department, Screven County Sheriff's Department, Sylvania Police Department, Evans County Sheriff's Department, and surrounding police agencies. This includes intraoperative radio capability, training programs, special events coordination, and investigation of serious incidents.

There are written memorandums of agreement between Ogeechee Technical College PD and local jurisdictional agencies.

CRIMES INVOLVING STUDENT ORGANIZATIONS AT OFF-CAMPUS LOCATIONS

Ogeechee Technical College relies on its close working relationships with local law enforcement agencies to receive information about incidents involving Ogeechee Technical College students and recognized student organizations, on and off campus. In coordination with local law enforcement agencies, the Ogeechee Technical College Police will actively investigate certain crimes occurring on or near campus. If the Ogeechee Technical College Police Department learns of criminal activity involving students or student organizations, it will coordinate with the appropriate external law enforcement agency to forward information about the situation to the Assistant Vice President for Student Affairs, as appropriate.

Ogeechee Technical College requires all recognized student organizations to abide by federal, state, and local laws, and College procedures. The College may become involved in the off-campus conduct of recognized student organizations when such conduct is determined to affect a substantial College interest.

TIMELY WARNING REPORTS – CRIME ALERTS

The OTC Police Department is primarily responsible for determining the content and distributing a timely warning notice to the community.

To provide timely notice to the campus community in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the community, the OTC Campus Police Department issues a crime alert called an “OTC Alert.” Ogeechee Technical College will generally issue an OTC Alert for the following crimes: arson; aggravated assault; criminal homicide; robbery; burglary; sex assaults; and hate crimes. OTC Campus Police will post these warnings through text message alerts to those who register their cell phone numbers. The text messaging can be a very effective way to send important information to the campus community.

The purpose of an OTC Alert is to notify the campus community of the incident and to provide information that may enable community members to protect themselves from the incidents. The College will issue OTC Alerts whenever the following criteria are met: 1) a crime is committed; 2) the perpetrator has not been apprehended; and 3) there is a substantial risk to the physical safety of other members of the campus community because of this crime. Such crimes include but are not limited to: 1) Clery Act crimes that are reported to any campus security authority or the local police; or 2) Ogeechee Technical College determines that the incident represents an on-going threat to the campus community.

Additionally, OTC Police may, in some circumstances, issue OTC Alerts when there is a pattern of crimes against persons or property. At Ogeechee Technical College, the Chief of Police will generally make the determination, in consultation with other college offices, regarding whether an OTC Alert is required. However, in emergency situations, any OTC police officer may authorize an OTC Alert.

EMERGENCY MESSAGING SYSTEM

OTC ALERT

Ogeechee Technical College has implemented an emergency message alert notification system as one method to contact members of the College in the event of an emergency.

Students, faculty and staff may update their emergency contact information.

- Visit <https://www.ogeecheetech.edu/otcalert>.
- Login using your username/password.
- Update your emergency contact information. If you have a cell phone, please be sure to include that number.
- OTC Alert will use that number to try to contact you via phone or text message in the event of an emergency.

Q: What is OTC Alert?

A: OTC Alert is a mass notification system comprised of e-mail and text messaging that is designed to send emergency messages to thousands of individuals in minutes. It supplements existing means of emergency communication and severe weather alert radios.

All students, faculty and staff can provide a primary mobile phone number for receipt of text messages. Emergency messages will be sent via OTC Alert and will be used in tandem with other campus communication tools.

Q: Who can sign up for OTC Alert text messages?

A: All Ogeechee Technical College students, faculty and staff who have a valid ID are able to sign up to receive text message alerts.

While those at locations beyond the main campus may sign up for alerts, messages will primarily focus on possible threats at the main campus location. If you spend time on the main campus, you are strongly encouraged to sign up. If you are located beyond the main campus location, you should continue to rely on local emergency notification systems for site specific warnings.

Q: How do I sign up for OTC Alert?

A: If you are a student or employee, please visit <https://www.ogeecheetech.edu/otcalert>, I and complete the required information and select submit.

Q: Who implements OTC Alert?

A: OTC Alert is managed jointly through the Campus Safety Department and the Office of Student Affairs, based on the type of alert.

Q: What kind of alerts will be sent?

A: The system will only be used to distribute information regarding emergencies that dictate immediate action be taken.

Examples of alerts include severe weather, building evacuations, dangers requiring secure-in-place or shelter-in-place, or other emergencies requiring immediate action. The message will direct you where to go for further information or what action to take. Following a warning, the alert system may be used to provide additional messages or an "all-clear" announcement. OTC Alert will also be tested on a random basis as needed.

Less urgent messages will be sent using the campus e-mail system.

Q: Are there any costs involved if I sign up for the system?

A: If you do not have a text messaging contract as part of your cellular service, there may be a small charge for any text messages that you receive. You should check with your cell phone carrier to determine what these costs may be. If you do not register your cell phone number, you will not receive any charges. You ARE encouraged to register your cell phone if you have one to receive additional access to emergency messages.

As a service to the campus community, the College actually pays a flat rate subscription charge for each student and employee that is signed up for OTC Alert.

Q: Will my contact information remain secure, and will it be used for any other purposes?

A: The information collected for OTC Alert is securely maintained and will not be shared. It is only used for notification of emergencies requiring immediate action.

Q: How can I recognize messages from OTC Alert?

A: SMS Text messaging: Text messages will include "OTC Alert."

CAMPUS ALERTS

All of us want to be alerted to dangerous situations near our homes or workplaces so that we can take appropriate precautions. Campus alerts are posted by the Campus Safety Department in an effort to make the Ogeechee Technical College community aware of potential dangers and informed about security and safety issues.

What it means to Shelter-in-Place

Sheltering in place provides protection from external hazards, minimizes the chance of injury and/or provides the time necessary to allow for a safe evacuation. This should be done by selecting a small, interior room if possible, with no or as few windows as possible. When authorities issue directives to shelter-in-place, do not walk outdoors; take refuge indoors immediately.

A shelter-in-place order may be issued for several reasons:

- Severe weather
- Hazardous materials
- Or any situation where there is a direct environmental threat and it is best for you to stay where you are to avoid any outside threat

When this occurs:

- Remain CALM.
- Faculty should recommend students and others not to leave or go outside.
- Select a small interior room with no or as few windows as possible.
- Close all windows, exterior doors, and any other openings that lead to the outside.
- Stay away from all windows and doors.
- Select interior room(s) on the ground floor, with the fewest windows or air vents.
- Room(s) should have adequate space for everyone to be able to sit down comfortably.
- Avoid overcrowding by selecting several rooms when necessary.
- Remain alert for instructions and updates as they become available from the emergency personnel and college administrators.

Response to an act of violence on campus:

Ogeechee Technical College is committed to the protection of its students, staff, and faculty against acts of violence. Acts of violence could include, but are not limited to, active shooter situations, hostage situations, work-place violence, and terrorism. Such acts of violence have occurred on multiple campuses

across the nation. These incidents have happened with little or no warning on campus or near campus. Violent situations are oftentimes dynamic and evolve rapidly, demanding immediate notification of first responders and quick responses to protect the innocent.

What it means to Secure-in-Place

In the event of an act of violence situation, individuals are encouraged to follow the “Run, Hide, Fight” concept considering these procedures:

Remain as calm as possible.

Determine your course of action. The best way to survive an active shooter incident is to not be where the shooter is and to not go where he or she can see you. You have three choices:

- **Evacuate (Run)**
 - Have an escape route and plan in mind.
 - Leave your belongings behind
 - Evacuate regardless of whether others agree to follow.
 - Help others escape, if possible
 - Do not attempt to move the wounded.
 - Keep your hands visible.
 - Call 911 when you are safe.
- **Secure-in-Place (Hide)**
 - Hide in an area out of the shooter’s view.
 - Lock door or block entry to your hiding place
 - Silence your cell phone (including vibrate mode) and remain quiet.
- **Fight**
 - Fight as a last resort and only when your life is in imminent danger.
 - Attempt to incapacitate the shooter.
 - Act with as much physical aggression as possible
 - Improvise weapons or throw items at the active shooter.
 - Commit to your actions... Your life depends on it

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

EMERGENCY MANAGEMENT AT OGEECHEE TECHNICAL COLLEGE

The Campus Safety Department is responsible for the Emergency Operations Plan (EOP). This plan is designed to be an all-hazards disaster response and emergency management plan that complies with FEMA guidelines for Higher Education that includes planning, mitigation, response, and recovery actions.

Our priorities are:

- Life safety, infrastructure integrity, and environmental protection during an emergency.
- Coordination with College departments to write, maintain, test, and exercise the EOP.
- Cooperation, integration, and mutual aid with local, state and federal planning, response, and public safety agencies and their EOPs.

A summary of the College's emergency response procedures may be obtained by contacting the Director for Campus Safety/Chief of Police.

DRILLS, EXERCISES AND TRAINING

Annually, Ogeechee Technical College conducts an emergency management exercise to test emergency procedures. The scenarios for these exercises change from year-to-year and include several departments from across the campus.

To ensure the College's emergency management plans remain current and actionable, the College will conduct an emergency management exercise, at a minimum once yearly. These exercises may include tabletop drills, emergency operations center exercises, or full-scale emergency response exercises. The College conducts after-action reviews of all emergency management exercises.

In conjunction with at least one emergency management exercise each year, the College will notify the community of the exercise.

Test examples listed below:

March 8, 2021 and November 29, 2021– Main Campus Fire Drill with simultaneous mass notification tests, OTC Alert/Alertus Beacon activations.

EMERGENCY NOTIFICATION

Ogeechee Technical College is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of campus community members. Ogeechee Technical College uses the emergency notification system OTC Alert. OTC Alert is an emergency notification service available to students, staff, and anyone in the College community who wants to subscribe. OTC Alert can be used to send emergency messages within minutes of the occurrence of an incident. The Director for Campus Safety, Executive Vice President for Academic and Student Affairs, or their designee will be responsible for issuing the emergency alerts.

Ogeechee Technical College performs a College-wide annual test of the system. The following procedures

outline the process the College uses when issuing emergency notifications.

PROCEDURES USED TO NOTIFY THE CAMPUS COMMUNITIES

In the event of a situation that poses an immediate threat to members of the campus community, Ogeechee Technical College has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of emergency notification to all or a segment of campus community. These methods of communication may include the mass notification system OTC Alert, the Alertus Beacons and Desktops system, and verbal announcement within a building and public address system in police cars. The College will post updates during a critical incident on the Ogeechee Technical College homepage.

Confirming the Existence of a Significant Emergency or Dangerous Situation and Initiating the Emergency Notification System

The OTC Police Department /or other campus first responders may become aware of a critical incident or other emergency situation that potentially affects the health and/or safety of the campus community. Generally, campus first responders become aware of these situations when they are reported to the Police or upon discovery during patrol or other assignments.

Once first responders confirm that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, first responders will notify other authorized College officers to issue an emergency notification.

The Director for Campus Safety, Executive Vice President for Academic and Student Affairs, or their designee will immediately initiate all or some portions of the College's emergency notification system. If, in the professional judgment of first responders, issuing a notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the College may elect to delay issuing an emergency notification.

As soon as the condition that may compromise efforts is no longer present, the College will issue the emergency notification to the campus community.

DETERMINING THE CONTENTS OF THE EMERGENCY NOTIFICATION

The Campus Safety Department is responsible for issuing the emergency notification and will, in concert with College and local first responders, determine the contents of the notification. The College has developed a wide range of template messages addressing several different emergency situations. The individual authorizing the alert will select the template message most appropriate to the on-going situation and modify it to address the specifics of the present incident. In those cases, where there are no pre-determined template messages in the system, the individual authorizing the alert will develop the most succinct message to convey the appropriate information to the community. The goal is to ensure individuals are aware of the situation and that they know the steps to take to safeguard their personal and community safety.

PROCEDURES FOR DISSEMINATING EMERGENCY INFORMATION TO THE GREATER COMMUNITY

In the event an incident occurs that poses an immediate threat to members of the College community, various systems are in place to communicate the information. These methods of communication include the local media outlets and local emergency agencies which notify their resources which will be used to notify the local community.

SECURITY AND ACCESS TO COLLEGE FACILITIES

The Ogeechee Technical College campus is open to the public. The campus is accessible during class hours of the day. At Ogeechee Technical College campuses, administrative and academic buildings are generally open from 7:00 a.m. until 10:00 p.m., Monday through Thursday.

College buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access.

Other facilities such as the bookstore, library, and conference center are likewise open to the public. Only those who have demonstrated a need are issued keys or fobs to a building.

Security Considerations for the Maintenance of Campus Facilities

Ogeechee Technical College is committed to campus safety and security. At Ogeechee Technical College, locks, landscaping and outdoor lighting are designed for safety and security. Sidewalks are designed to provide well-traveled, lighted routes from parking areas to buildings and from building to building.

The College buildings and grounds are maintained to provide a safe environment for all who come to campus. A variety of personnel from various departments, including Administration, Maintenance Services, and OTC Police work together to ensure all components that comprise the safety system are operational. This includes exterior lighting, fire and smoke detection systems, and maintenance of landscaping, sidewalks, and traffic control.

If you observe any safety issue, please contact the OTC Police so corrective action can be initiated.

We encourage community members to promptly report any security concerns, including concerns about locking mechanisms, lighting, or landscaping to the OTC Police.

The CARE Team process does not replace faculty classroom management, disciplinary processes, and/or public safety responses to incidents.

The Campus Assessment Response Evaluation (CARE) Team Model works within all current college policies and serves as a model to formalize current informal processes at the College.

Download and complete this form at http://www.ogeecheetech.edu/docs/d_StudentAffairs/CARE_ConcernForm.pdf. CRIME PREVENTION AND SAFETY AWARENESS PROGRAMS

In an effort to promote safety awareness, the Ogeechee Technical College Police Department maintains a strong working relationship with the community. This relationship includes offering a variety of safety and security programs and services. If you or your organization would like to request a specific program, please contact the OTC Police Department, at 912-681-5667. Below are some of the programs and services available:

Active Shooter on Campus

Plan, Prepare, React Active Shooter Response Options (online Video) required watching by new students and employees. Also, safety awareness programs (lectures and discussions); and tests (tabletop exercises, and multi public safety response drills) are performed throughout the year.

Personal Safety

OTC Campus Police, and guest speakers present awareness programs to students and employees on topics such as:

- Theft Measures – is an awareness program focusing on risk reduction, and the Prevention of personal items taken from a student or employee while on the college campus.
- Alcohol/Drug Awareness and Prevention – is an awareness program to help students address their choices in the consumption of alcoholic beverages.
- Sexual Assault Awareness - is a program informing the students, faculty and staff of preventive measures, risk reduction, and avoidance in become a victim of a sexual assault.
- Dating Violence, Domestic Violence, and Stalking are also discussed in this program.

Bystander Intervention – Tell Someone

Each new student orientation and new employee orientation for professional staff provides training, techniques and empowerment to challenge unethical situations and how to appropriately handle the situation/incident.

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved

but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

SEXUAL & GENDER VIOLENCE

INTRODUCTION

Ogeechee Technical College is committed to providing a safe learning and working environment, and in compliance with federal law has adopted procedures to prevent and respond to incidents of sexual violence including sexual assault, domestic violence, dating violence and stalking. These guidelines apply to all students, faculty, staff, contractors and visitors.

If you are a victim of a sexual assault, every effort should be made to protect evidence that could be used to prosecute the offender. If you are a victim, before you take any action on your own, you should immediately notify the proper authority such as the Ogeechee Technical College Police (912-681-5667) or local law enforcement agency (Statesboro Police – 912-764-9911, Bulloch County Sheriff’s Department – 912-764-1771, Screven County Sheriff’s Department – 912-564-2013, Evans County Sheriff’s Department – 912-739-1611, Sylvania Police Department – 912-564-2056, Hagan Police Department – 912-739-3801), or East Georgia Regional Hospital – 912-486-1000. If possible, do not change your clothes, shower, eat or drink between the sexual assault and the examination by medical professionals. If possible, bring a change of clothes with you to the examination because the investigators will require the clothes for evidence. Professionals at these agencies are available to instruct you on proper procedures to follow. Any student who is the victim of a sexual assault investigated by the OTC Police Department and/or the Georgia Bureau of Investigation, will have counselors made available to them at any time during the investigation. The OTC Police Department will support these victims of sexual assault as needed.

The OTC Police Department investigates all reports of sexual offenses that occur on campus in the most professional manner possible. OTC Police Officers are on-call and capable of responding immediately and at any time. Once reported to OTC Police, officers respond, investigate, and make applicable criminal charges based on evidence collection and victim/witness statements. Cases that are investigated are turned over to the District Attorney's Office for prosecution, as well as to the proper College judicial officials. Georgia law states that a person convicted of rape can be punished by death, by imprisonment for life, or by imprisonment of not less than 1 nor more than 20 years. Any student found in violation of the OTC Student Code of Conduct based on a sexual act that is not legally consensual may be suspended from Ogeechee Technical College in addition to any criminal charges that may be warranted. The disciplinary process for alleged sex offenses includes the right of the accuser and accused to have an advisor present during a disciplinary proceeding. Both the accused and accuser will be notified of the outcome of institutional disciplinary proceedings involving sex offenses.

It is the policy of the OTC Police Department to immediately notify the campus community any time a sexual assault is reported and is an immediate threat to the campus community. This notification is done so that people will be aware of the incident and can take necessary precautions. However, great care is

taken to protect the identity of the victim. The OTC Police Department's policy to monitor crimes off-campus against recognized student organizations is structured by an agreement with local police agencies. It is the desire of the OTC Police Department to provide timely warning of crimes to the Ogeechee Technical College community whether the incident involved a student organization on campus or in a surrounding jurisdiction.

Remember that it is never too late to report a sexual assault. People are ready and able to assist you. Whether or not the offense occurred on or off campus, the victim will receive a written explanation of their rights.

Campus sexual assault procedures, definitions, suggestions, and sanctions are found in the Ogeechee Technical College Student Catalog & Handbook which is available from the Office of Student Affairs (912) 688-6061 or at <http://ogeecheetech.smartcatalogiq.com/>.

A sexual assault is any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent, as well as incest or statutory rape.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim. Dating violence means violence committed by a person who is or has been in a romantic or intimate relationship with the victim. Stalking is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

ON AND OFF CAMPUS RESOURCES

DEFINITION OF CONSENT

What is Consent?

- Consent is a voluntary, sober, imaginative, enthusiastic, creative, wanted, informed, mutual, honest, and verbal agreement.
- Consent is an active agreement; consent cannot be coerced.
- Consent is a process, which must be asked for every step of the way; if you want to move to the next level of sexual intimacy, just ask.
- Consent is never implied and cannot be assumed, even in the context of a relationship. Just because you are in a relationship does not mean that you have permission to have sex with your partner.
- A person who is intoxicated cannot legally give consent. If you're too drunk to make decisions and communicate with your partner, you're too drunk to consent.
- The absence of a "no" doesn't mean "Yes".
- Both people should be involved in the decision to have sex.

PERSONAL SAFETY

Theft, disorderly conduct, and alcohol related offenses occur on college campuses. However, they don't stand alone. Despite law enforcement's efforts, serious crimes do occur on campuses. It is important to report any suspicious incidents to police and always remain alert and vigilant.

One of the more serious crimes that too often goes unreported is sexual assault. It is important to know what these crimes are, because in many cases, victims do not realize that they have been victimized. Additionally, crimes of this nature are very difficult for victims to report for a number of very complex reasons. We provide the following information to assist those who may have been victims of sexual assault or who have a friend who has been sexually assaulted.

There are many guidelines to help you be more alert and aware of the situation to prevent such serious crimes.

Know Your Surroundings

- Be alert.
- Call for help report any suspicious people and/or activity, immediately.
- Report all suspicious incidents and persons to the OTC Police immediately.
- Never take personal safety for granted.
- Try to avoid walking at night alone.
- Limit your alcohol consumption and leave social functions that get too loud, too crowded, or that have too many people drinking in excess.

- Carry only small amounts of cash.
- Never leave valuables unattended.
- Always carry your keys with you and do not lend them to anyone.
- Lock car doors and never leave valuables in view.

DEFINING RAPE AND SEXUAL ASSAULT

Rape O.C.G.A. § 16-6-1

- (a) A person commits the offense of rape when he has carnal knowledge of:
- (1) A female forcibly and against her will; or
 - (2) A female who is less than ten years of age.

Carnal knowledge in rape occurs when there is any penetration of the female sex organ by the male sex organ. The fact that the person allegedly raped is the wife of the defendant shall not be a defense to a charge of rape.

Statutory Rape O.C.G.A. 16-6-3

- (a) A person commits the offense of statutory rape when he or she engages in sexual intercourse with any person under the age of 16 years and not his or her spouse, provided that no conviction shall be had for this offense on the unsupported testimony of the victim.

In Georgia, Sexual Assault is defined under OCGA § 16-6-5.1 as “sexual contact” is that is perpetrated by “a person who has supervisory or disciplinary authority over another individual.”

Sodomy O.C.G.A. 16-6-2

- (a) (1) A person commits the offense of sodomy when he or she performs or submits to any sexual act involving the sex organs of one person and the mouth or anus of another.
- (2) A person commits the offense of aggravated sodomy when he or she commits sodomy with force and against the will of the other person or when he or she commits sodomy with a person who is less than ten years of age. The fact that the person allegedly sodomized is the spouse of a defendant shall not be a defense to a charge of aggravated sodomy.

Sexual Battery O.C.G.A. 16-6-22.1

- (a) For the purposes of this Code section, the term "intimate parts" means the primary genital area, anus, groin, inner thighs, or buttocks of a male or female and the breasts of a female.
- (b) A person commits the offense of sexual battery when he or she intentionally makes physical contact with the intimate parts of the body of another person without the consent of that person.

Aggravated Sexual Battery O.C.G.A. 16-6-22.2

- (a) For the purposes of this Code section, the term "foreign object" means any article or instrument other than the sexual organ of a person.
- (b) A person commits the offense of aggravated sexual battery when he or she intentionally penetrates

with a foreign object the sexual organ or anus of another person without the consent of that person.

Incest O.C.G.A. 16-2-22

- (a) A person commits the offense of incest when such person engages in sexual intercourse or sodomy, as such term is defined in Code Section 16-6-2, with a person whom he or she knows he or she is related to either by blood or by marriage as follows:
- (1) Father and child or stepchild;
 - (2) Mother and child or stepchild;
 - (3) Siblings of the whole blood or of the half-blood;
 - (4) Grandparent and grandchild of the whole blood or of the half-blood;
 - (5) Aunt and niece or nephew of the whole blood or of the half-blood; or
 - (6) Uncle and niece or nephew of the whole blood or of the half blood.

Forcible Fondling - The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

Sex Offense (Non-Forcible) - Unlawful, non-forcible sexual intercourse.

While these definitions are clear, victims often have difficulty reporting a sexual assault for numerous reasons such as knowing the perpetrator, fear of retaliation, fear of parents knowing about the incident, and fear of getting in trouble with law enforcement. Despite these concerns, it is vital to report such incidents in order to get help.

The following information provides steps to follow should a sexual assault occur:

- Get to a safe place as soon as possible!
- Try to preserve all physical evidence – The victim should not bathe, shower, brush teeth, douche, use the toilet, or change clothing until she/he has a medical exam. Contact a close friend or relative, if available, who can provide support and accompany the victim to the medical exam and/or police department. Advocates from the Women's Resource Center can be available to the victim to provide support.
- Get medical attention as soon as possible – An exam may reveal the presence of physical injury of which the victim is unaware. Following a sexual assault, antibiotics are typically given at the time of the exam to help prevent the victim from acquiring certain sexually transmitted diseases. Emergency contraceptive pills are offered to all female victims at the time of the exam (if the victim presents within 120 hours) to help prevent pregnancy from occurring because of the rape. If the victim reports memory loss, loss of consciousness or other circumstances suspicious for a drug-facilitated assault, a urine test may be done if the victim presents within 96 hours. Some of the commonly used "date rape" drugs, however, are only detectable in the urine for 6-8 hours after ingestion.

- Contact the police – Sexual assault is a crime and, it is vital to report it. It is important to remember that reporting a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. Final decision to prosecute is determined by the District Attorney.
- Consider talking to a counselor – Seeing a counselor may be important in helping the victim understand his/her feelings and begin the process of recovery.

Ogeechee Technical College in conjunction with the District Attorney's Office provides the following rights to all sexual assault victims.

Sex Offender Registration

The Federal Campus Sex Crimes Prevention Act, enacted on Oct. 28, 2000, and also referred to as Megan's Law, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services or is a student.

In Georgia, convicted sex offenders must register with the Georgia Department of Corrections. You may obtain state information on individuals registered as sex offenders by visiting the Georgia Bureau of Investigation Sex Offender Registry website at <https://gbi.georgia.gov/georgia-sex-offender-registry>.

VICTIM BILL OF RIGHTS

Georgia has important laws concerning your role in the legal system. The purpose of this document is to explain your rights and responsibilities under our legal system. Ogeechee Circuit District Attorney Daphne Totten has established the Ogeechee Judicial Circuit Victim Witness Program which provides victims of crime, as well as their families, information, support, and guidance through the criminal justice system. You may obtain more information concerning different stages of the criminal process by contacting Victim Services in the District Attorney's Office, the custodial authority (where the accused is being held), the investigating law enforcement agency, the State Department of Corrections, the State Board of Pardons and Paroles, and the probation office. If you are threatened by the accused or anyone associated with the accused, contact the nearest law enforcement office and the District Attorney's Office.

COMPENSATION

As a victim of a criminal act, you may be eligible for victim compensation administered by the State of

Georgia. The maximum amount of compensation is \$10,000. There is a 365-day limit after the occurrence of the crime for making an application. Compensation is limited to medical and funeral expenses, counseling and therapy fees, and occasionally loss of support or lost wages. If you are interested in applying for compensation, contact Victim Services in the District Attorney's Office.

CONFIDENTIALITY

Information such as your address or telephone number that you give to the District Attorney's Office is confidential and is not subject to public disclosure. Under the law, prosecutors generally are required to give the defendant's attorney the address and telephone number of any witness the prosecution intends to call during trial. The court can order the defense attorney not to give this information to anyone, including the accused. The defendant's attorney may contact you to ask you about the case. You are not required to speak to the defense attorney. If you so choose, you have the right to have your own attorney present or a representative from the District Attorney's Office.

DEFENDANT MAY BE RELEASED PENDING TRIAL

The accused may be released from jail before and during the trial. If this happens, it is your right to state an opinion concerning the release of the accused. You have the right to file a witness complaint with the District Attorney if any acts or threats of violence or intimidation occur against you or your family by the accused or at the direction of the accused. If you file a written complaint, the District Attorney may ask the court to revoke the release of the accused.

DESIGNATION OF SOMEONE TO ACT IN YOUR PLACE

If you are physically disabled or unable to exercise your rights under the law, you may designate a spouse, adult child, parent, sibling, or grandparent to act in your place for as long as you are disabled. You must make this designation in writing. If you make such a designation, your notification rights will still apply to you and not your representative. If you wish to make such a designation, you may do so on your own, or you may contact the District Attorney's Office for assistance.

NOTIFICATION - GENERAL RIGHTS

These rights do not have to be requested. You will have these rights unless you waive them. You have the right:

- To be notified of the arrest of the accused. This notification will probably be issued by the Investigating Agency.
- To be notified of any proceeding where the release of the accused will be considered. This notification will generally come from the District Attorney's Office.
- To be notified of the release of the accused. This notification will generally come from the District Attorney's Office.

NOTIFICATION RULES CONCERNING PAROLE

If the accused is found guilty and sentenced to a prison term, you have notification rights concerning any possible parole of the accused, including the right to express your opinion to a parole decision being made. To exercise these rights, you must either express an objection to any parole of the accused or make a request for notification. Objections and requests are made to the State Board of Pardons and Paroles. If

you have any questions concerning parole or need assistance, contact the State Board of Pardons and Paroles.

OPINIONS

You have the right to express your views on the outcome of the case including plea negotiations, sentence negotiations, and participation in pretrial or post- conviction diversion programs. To do so, contact Victim Services.

VICTIM IMPACT STATEMENT

You have the right to make a Victim Impact Statement describing how the crime has affected you. If the accused is found guilty, the Victim Impact Statement may be used by the District Attorney or the Judge to determine the accused's sentence. This statement may also be used by the Probation Office (if the accused is given probation) and the State Board of Pardons and Paroles (if the accused is sentenced to a prison term). Victim Services can assist you in making a Victim Impact Statement.

WAITING AREAS

During any court proceeding involving the accused, you have the right to wait in an area separate from the accused, family, friends, and witnesses for the accused. If such an area is not available, you may contact the District Attorney's Office for assistance.

RESTITUTION

You may have the right to restitution, that is, the right to the return of anything of value or money to compensate you for injury to yourself or damage to your property. If your property has been damaged, we need a copy of an estimate for repair. If you were injured, we need copies of any medical bills you have received. If you have any questions, please give us a call.

Each year over ½ million students complete these courses. As part of our comprehensive prevention efforts for new students, Ogeechee Tech expects students to complete AlcoholEdu during their first semester of enrollment. These online courses are thoughtful and educational programs for adults committed to thinking about their life choices. New students are provided course completion information at the beginning of each semester through the Online New Student Orientation. The Online New Student Orientation is mandatory for new students to complete before they can register for classes. More information about AlcoholEdu can be found at <https://everfi.com/>.

ANNUAL DISCLOSURE OF CRIME STATISTICS

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. The Ogeechee Technical College Police Department maintains a close relationship with all police departments where Ogeechee Technical College owns or controls property to ensure that crimes reported directly to these police departments that involve the College are brought to the attention of the Ogeechee Technical College Police.

The Ogeechee Technical College Police Department collects the crime statistics disclosed in the Clery Charts through several methods. Police officers enter all reports of crime incidents made directly to the department. After an officer enters the report in the system, a department administrator reviews the report to ensure it is appropriately classified in the correct crime category. The Department periodically examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). In addition to the crime data that the OTC Police Department maintains, the statistics below also include crimes that are reported to various campus security authorities, as defined in this report. The statistics reported here generally reflect the number of criminal incidents reported to the various authorities. The statistics reported for the subcategories on liquor laws, drug laws and weapons offenses represent the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented.

Any student or employee who reports an incident of sexual violence, whether the offense occurred on or off campus, shall receive a written explanation of their rights and options.

A sexual assault is any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent, as well as incest or statutory rape.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim. Dating violence means violence committed by a person who is or has been in a romantic or intimate relationship with the victim. Stalking is engaging in a course of conduct

directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

PROCEDURES VICTIMS SHOULD FOLLOW

If you are a victim of sexual violence, call the OTC Campus Police, at (912) 681-5667, (912) 871-8526, or 911 to activate the SANE program. Victims do not have to press charges. By having a rape kit completed to collect evidence at the time of the assault, victims can press charges later. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 120 hours so that evidence may be preserved which may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs, or other copies of documents, if they have any, that would be useful to college hearing boards/investigators or police.

Although the college strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim's choice whether to make such a report and victims have the right to decline involvement with the police. The College will assist any victim with notifying local police if they so desire.

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Christy Rikard at crikard@ogeecheetech.edu, or phone at (912) 486-7607 and to OTC Campus Police (if the victim so desires). The College will provide resources on campus, off campus, or both, to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking, and will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protective orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she, nevertheless, should consider speaking with OTC Campus Police or other law enforcement to preserve evidence in the event that the victim changes her/his mind at a later date.

Once an individual makes a complaint or receives notice that a complaint has been made against him or her, that individual should receive information about support services, such as counseling, advocacy, housing assistance, academic support, disability services, health and mental services, and legal assistance, as is available at the institution.

If a report of domestic violence, dating violence, sexual assault, or stalking is reported to the College,

the below are the procedures that the College will follow as well as a statement of the standard of evidence that will be used during any judicial hearing on campus arising from such a report:

A. Administration and Implementation

1. Each college president shall designate one or more officials to serve as the Title IX Coordinator and the Section 504 Coordinator and ensure the designated officials have received appropriate training.
2. Contact information for the Title IX and Section 504 Coordinators and the Statement of Equal Opportunity should be permanently displayed on official bulletin boards and included in electronic or written college publications and academic materials as described in the TCSG Usage for Statement of Equal Opportunity.
3. Instructors/Administrators must take ongoing proactive steps to ensure educational opportunities (to include classrooms, clinics, labs, programs, etc.) and student activities (clubs, sports, etc.) are accessible and free from any type of unlawful discrimination or harassment.
4. The Compliance Officer will conduct training programs and monitor the colleges to ensure the correct administration and implementation of this procedure and will ensure that proactive or corrective measures have been taken to prevent unlawful discrimination, harassment, or retaliation.

B. Reporting and Management Action

1. All students are encouraged to report events of unlawful harassment, discrimination, and/or retaliation (“prohibited conduct”) against themselves or others.
2. If a student filing a complaint requests anonymity or asks that the complaint not be pursued, the college must inform the student that its ability to respond may be limited, that retaliation for filing a complaint is prohibited and steps to prevent harassment and retaliation will be taken. The college should take all reasonable steps to investigate and respond to the complaint consistent with the request and pursue other steps to limit the effects of the alleged harassment and prevent recurrence.
3. Colleges may weigh a request for anonymity or a request they not pursue a complaint considering the following factors: the seriousness of the alleged conduct, the complainant’s age, whether there have been other harassment complaints about the same individual, and the alleged harasser’s rights to receive information about the allegations if the information is maintained as an “education record” under FERPA. The college must inform the student if the request cannot be granted.
4. Reports concerning all prohibited conduct referenced in this procedure will be processed confidentially to the extent permitted by law; communications regarding complaints will be disseminated to others on a need-to-know basis to ensure that necessary steps are taken to protect the community as a whole and that appropriate disciplinary measures or corrective actions are considered and taken.
5. Allegations or suspicions of unlawful discrimination, harassment, sexual harassment, sexual violence, or unlawful retaliation may be reported to the technical college’s Title

IX or Section 504 Coordinators, the president, or the Human Resources Director (should the complaint involve employees). Complaints may also be emailed to unlawfulharassment@tcsge.edu.

6. Complaints under this procedure can be expressed in writing, by telephone, or in person; individuals are, however, encouraged to express complaints in writing to ensure all concerns are addressed.
7. If an allegation of unlawful harassment, discrimination, sexual harassment, sexual violence or retaliation is made to an employee not designated to receive such reports, the employee receiving the complaint must report the allegation as provided in section 6 above.
8. Students or employees may be suspended, transferred, or reassigned in order to prevent possible further harassment, discrimination, or retaliation, to facilitate the investigation or to implement preventive or corrective actions under this procedure.
9. Any allegation of unlawful harassment, discrimination, or retaliation against employees must be reported to the Human Resources Director who may elect to conduct the investigation in conjunction with other local investigators.

C. Investigations

1. All complaints of prohibited conduct under this procedure shall be investigated by local investigators thoroughly and expeditiously.
2. A complaining party will be notified if the complaint does not specify facts sufficient to allege unlawful discrimination, harassment, or retaliation and that a formal investigation will not be conducted pursuant to this procedure. The complaining party may appeal the decision in writing to the President within 5 business days of receiving the notice. The President's decision will be final.
3. Individuals designated to investigate or recommend corrective actions in response to allegations will be trained to conduct investigations in a manner that protects the safety of victims and promotes accountability. Individuals assigned as the investigator for a particular incident shall disclose to the President any relationship with the parties that could call into question their ability to be objective prior to taking any action with respect to the investigation. The President will reassign alternate individuals if necessary.
4. Investigations will be conducted by gathering relevant information and interviewing appropriate witnesses. Both the complaining party and the respondent (the parties) will be given equal opportunity to identify witnesses and offer evidence in person or in writing. Best efforts will be made to interview all witnesses identified by the parties. Both the complaining party and the respondent may be accompanied by an advisor of his or her choice. However, the advisor may not speak on behalf of the party.
5. The college will evaluate the information collected during the investigation and determine whether a preponderance of the evidence substantiates that unlawful discrimination, unlawful harassment, and/or unlawful retaliation has occurred.
6. Investigations and summary findings will be documented appropriately.
7. No later than 10 business days after completion of an investigation, both of the parties

will be simultaneously notified in writing.

D. Corrective Actions

1. Colleges will take all reasonable steps to prevent unlawful retaliation against complainants and any other individuals participating in investigations under this procedure.
2. If prohibited conduct is determined to have occurred following the investigation, the college, through the appropriate officials, shall implement steps to prevent a recurrence and to correct the discriminatory effects on the complaining party and others as appropriate. Steps may include, but are not limited to, mandating training or evaluation, disciplinary sanctions, policy implementation or reassignment of students or employees.
3. Should recommended disciplinary sanctions involve academic suspension or expulsion, the matter must be referred to the Executive Vice President for Academic and Student Affairs, as provided by the college's Student Code of Conduct and Disciplinary Procedure.
4. Individuals who are responsible for conducting investigations or proposing sanctions under this procedure should not also serve as reviewing officials or hearing officers in the appeal of sanctions arising from an investigation.
5. Even in the absence of sufficient evidence to substantiate a finding that unlawful discrimination, unlawful harassment, sexual violence, or retaliation has occurred, colleges are expected to address any inappropriate conduct and take all reasonable steps to prevent any future unlawful discrimination, harassment, or retaliation.

E. Reviews and Dispositions

1. Any of the parties to a complaint under this procedure may request a review of the investigative findings within 5 business days of receiving notice of the investigative results by submitting a written request to the President.
2. The President shall review all investigations conducted under this procedure and ensure that the appropriate corrective actions have been implemented.
3. Within 10 business days of receiving a request for a review of the investigative findings, the President of the college will notify the parties in writing of his/her final determination, including any change in the result of the findings. The notice will inform the parties they have a right to appeal the determination to the Technical College System of Georgia's Office of Legal Services by submitting a written request within 3 business days by regular mail or email to one of the following: Technical College System of Georgia Office of Legal Services 1800 Century Place, N.E. Suite 400 Atlanta, Georgia 30345 or unlawfulharassment@tcsg.edu.
4. The Office of Legal Services will convene a panel of at least 3 individuals not employed by the requestor's college to review the investigative findings. The panel's decision is final and will conclude the processing of the complaint. Both parties will be notified in writing simultaneously of the results of the review and any changes in the results of the investigative findings under appeal.

RECORDS RETENTION

Documents relating to formal complaints including investigations, dispositions and the complaint itself shall be held for 5 years after the graduation of the student or the date of the student's last attendance. Any of the documents containing confidential information shall be held in a secure location under the custody and control of the Assistant Vice President for Student Affairs or the President's designee. Documents pertaining to employees that are maintained by the Office of Human Resources shall be maintained in a secure location and in accordance with the Georgia Secretary of State's records retention schedule, but in no case fewer than 5 years.

Assistance for Victims: Rights and Options

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the college will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options. The college will also assist the victim in notifying law enforcement, if requested, by providing contact information to the victim, or by contacting law enforcement and reporting the incident.

According to the Georgia Crime Victims' Bill of Rights statute 17-17-1, a victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

1. The right to reasonable, accurate, and timely notice of any scheduled court proceedings or any changes to such proceedings.
2. The right to reasonable, accurate, and timely notice of the arrest, release, or escape of the accused.
3. The right not to be excluded from any scheduled court proceedings, except as provided in this chapter or as otherwise required by law.
4. The right to be heard at any scheduled court proceedings involving the release, plea, or sentencing of the accused.
5. The right to file a written objection in any parole proceedings involving the accused.
6. The right to confer with the prosecuting attorney in any criminal prosecution related to the victim.
7. The right to restitution as provided by law.
8. The right to proceedings free from unreasonable delay; and
9. The right to be treated fairly and with dignity by all criminal justice agencies involved in the case.

Further, Ogeechee Technical College complies with Georgia law in recognizing temporary protective orders (TPO). Any person who obtains a temporary protective order from Georgia or any reciprocal state should provide a copy to OTC Campus Police and the Office of the Title IX Coordinator. A complainant may then meet with OTC Campus Police to develop a Safety Action Plan, which is a plan for OTC Campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home. The College cannot apply for a temporary

protective order for a victim. The victim is required to apply directly for these services.

The College may issue a criminal trespass warning, if deemed. To the extent of the victim's cooperation and consent, college offices will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal college investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance and assistance in notifying appropriate local law enforcement. Ogeechee Technical College is also committed to protecting victims from any further harm, and the Assistant Vice President for Student Affairs may issue a temporary no-contact order pending the outcome of any conduct proceeding.

ACCOMMODATION

Whether or not a student or employee reports to law enforcement and or pursues any formal action, Ogeechee Technical College is committed to providing anyone who reports an incident of sexual violence with as safe a learning or working environment as possible. Upon request Ogeechee Technical College will make any reasonably available change to a victim's academic, living, transportation, and or working situation. Ogeechee Technical College is also committed to protecting victims from any further harm, and the Assistant Vice President for Student Affairs may issue a temporary no-contact order pending the outcome of any conduct proceeding. When a student or employee reports to the college that the student or employee has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the college will provide the student or employee a written explanation of the student's or employee's rights and options. College employees will receive written notification from the Director for Human Resources. Students will receive written notification from the Assistant Vice President for Student Affairs or the Executive Vice President for Academic and Student Affairs. Options include available assistance in, and how to request changes to: Academic, Living, Transportation, and working situations or protective measures.

VICTIM CONFIDENTIALITY

Ogeechee Technical College recognizes the sensitive nature of sexual violence and is committed to protecting the privacy of any individual who reports an incident of sexual violence. Different officials on campus are, however, able to offer varying levels of privacy protection to victims. Reports made to law enforcement, including whether criminal prosecution is pursued, may be made public and shared with the accused.

Reports made to Ogeechee Technical College officials will be kept confidential to the extent possible and identifying information about the victim shall not be made public unless required by law. Reports made to medical professionals, licensed mental health counselors, and other officials exempt from reporting in

the institution's jurisdiction will not be shared with third parties except in cases of imminent danger to the victim or a third party.

Ongoing prevention and awareness campaigns are also offered throughout the year.

- **Haven** – an online program for students that addresses the critical issues of sexual assault, relationship violence, stalking, and sexual harassment.

CONDUCT PROCEEDINGS

Ogeechee Technical College strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal action, students, employees and other affiliates may also face disciplinary action by Ogeechee Technical College. Individuals found responsible for having committed such a violation face permanent expulsion, termination of employment, suspension, probation, and additional penalties and protective measures the College deems appropriate. Incidents involving accused students will be handled by the Assistant Vice President for Student Affairs, and incidents involving accused employees/affiliates will be handled by the Equal Opportunity/Title IX Office.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair and impartial investigation and resolution by officials who have received annual training on the nature of the types of cases they are handling, on how to conduct an investigation, and conduct a hearing in a manner that protects the safety of victims and promotes accountability. Determination of responsibility shall be made by the Assistant Vice President for Student Affairs in student cases or the Title IX Office in employee/affiliate cases using the preponderance of the evidence standard (which means that it is more likely than not that the alleged misconduct occurred).

In all proceedings, including any related meetings, both the accused and accuser are entitled to equal rights, including the right to be accompanied by an advisor of their choice. Both the accused and accuser shall simultaneously be informed in writing of the outcome reached by the finder of fact and of procedures for appealing the results of the outcome, of any change to the results that occurs prior to the time that such it becomes final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties.

For additional information about student conduct proceedings please consult the Student Handbook, Section: Policies and Procedures, Student Code of Conduct. The Student Code of Conduct is available at <http://ogeecheetech.smartcatalogiq.com/> or the Assistant Vice President for Student Affairs which is located in the Joseph E. Kennedy Building. For additional information about employee conduct proceedings please consult the Human Resources website located at the following web address: <http://www.ogeecheetech.edu/faculty-staff/human-resources>.

Proceeding means all activities related to a non-criminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings. Proceeding does not include communications and meetings between officials and victims concerning accommodations or protective measures to be provided to a victim.

Result means any initial, interim, and / or final decision by any official or entity authorized to resolve disciplinary matters within the institution. The result must include any sanctions imposed by the institution.

Notwithstanding section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly referred to as the Family Educational Rights and Privacy Act (FERPA), the result must also include the rationale for the result and the sanctions.
