Resources Abound at Y.O.U.R. Library

GALILEO
GALILEO is a doorway to a wealth of information. Through it you can potentially access over 250 databases, indexing thousands of online journals, eBooks, videos, reference materials, and more.

Program Resources
Looking for a book, article, or website? Need help with library resources? Check out LibGuides for your program. Libguides.ogeecheetech.edu

Films on Demand
This product contains over 4,700 full-length streaming videos covering technical education, health and medicine, etc.

Books
Books can be checked out for two weeks from the circulation desk. We use Alma & OCLC as our library software. You may set up an online account to view your books out, request books, place holds, and other things. www.ogeecheetech.edu/libcatalog

Electronic Books
We have over 30,000 ebook titles. They can be accessed through the library online catalog. www.ogeecheetech.edu/libcatalog

Audio-Visuals
DVDs and VHS tapes can be accessed through the library online catalog. www.ogeecheetech.edu/libcatalog

Our Mission
The mission of the OTC Library is to provide access to a comprehensive collection of information resources and services that support the institution’s mission.
