

Computer Support Specialist Associate of Applied Science (CS23)

DESCRIPTION

The Computer Support Specialist program is a sequence of courses designed to provide students with an understanding of the concepts, principles, and techniques required in computer information processing. Graduates are to be competent in the general areas of humanities or fine arts, social or behavioral sciences, and natural sciences or mathematics, as well as in the technical areas of computer terminology and concepts, program design and development, and computer networking. Program graduates are qualified for employment as computer support specialists.

EMPLOYMENT OPPORTUNITIES

Graduates of the Associate of Applied Science in Computer Support Specialist may find employment in end-user support, systems integration, PC repair/installation, commercial software support, and computer hardware/software sales.

ADMISSIONS CRITERIA

1. Submit a completed application and application fee;
2. Be at least 16 years of age;
3. Submit official high school transcript or GED transcript;
4. Submit official college transcripts, if applicable;
