

Wildlife Management Assistant Certificate (WP11)

Description

The Wildlife Management Assistant certificate is a sequence of courses that prepares students for careers as wildlife technicians assistants. The program will provide students with the basic knowledge and skills needed to obtain employment as assistants in state and national parks, game and preserve assistants, and campground manager.

Employment Opportunities

Graduates of the Wildlife Management Assistant Certificate are prepared for entry level positions in the fisheries, forestry and wildlife areas, as well as other private wildlife-related careers.

Admissions Criteria

- Submit a completed application and application fee;
- Be at least 16 years of age;
