Materials: Required - Textbook, access to computer with speakers, pencils, and scantrons for testing. Suggested - None

Grading Scale

The grading scale is detailed in the Current Catalog and Student handbook and listed below for reference. All faculty members follow this scale when assigning grades to reflect a student’s performance in the classroom.

- A 90-100
- B 80-89
- C 70-79
- D 60-69
- F 59 and below

Work Ethics Information:
The Technical College System of Georgia instructs and evaluates students on work ethics in all programs of study. Ten work ethics traits have been identified and defined as essential for student success: appearance, attendance, attitude, character, communication, cooperation, organizational skills, productivity, respect, and teamwork. As a student in this Ogeechee Technical College course, you will be expected to adhere to the highest standards of these 10 character traits in your behavior as well as your coursework.
