Work Ethics Information:

The Technical College System of Georgia instructs and evaluates students on work ethics in all programs of study. Ten work ethics traits have been identified and defined as essential for student success: appearance, attendance, attitude, character, communication, cooperation, organizational skills, productivity, respect, and teamwork. As a student in this Ogeechee Technical College course, you will be expected to adhere to the highest standards of these 10 character traits in your behavior as well as your coursework.

Classroom Policies

Attendance:

To receive credit for this course a student must attend 90% of the scheduled instructional time. Any student attending less than 90% of the scheduled instructional time will receive a "W" for the course if removed from the course before the semester midterm. After the semester midterm, any student who has maintained a passing grade within a course will receive a 'WP' for the course when attending less than 90% of the scheduled instructional time. If, however, the student has not maintained a passing grade, he or she will receive a 'WF' for the course. Attendance is counted from the first scheduled class meeting of each semester.

Tardy means arriving after the scheduled time for instruction to begin. Early departure means leaving before the end of the scheduled time. Three (3) tardies or early departures equal one (1) absence for the course involved.

Course Withdrawal:

Students may withdraw from a course without academic penalty until the midpoint of the term (as stated in the Academic Calendar and in the OTC Catalog and Student Handbook). By withdrawing before the midpoint of the term, the student is automatically assigned a grade of W, which does not affect term or cumulative grade point average. Grades of W will affect satisfactory academic progress for financial aid purposes. Students
who stop attending class(es) without formally withdrawing risk earning a final grade of F, which will appear on the academic transcript. Refer to the OTC Catalog and Student Handbook for further details.

Late Work: Late work is not accepted. Provisions for Instructional Time missed because of documented absences due to jury duty, military duty, required job training, or official college activities will be made at the discretion of the instructor.

Missed Exams: Arrangements will be made at the instructor’s discretion.

Absences: See Attendance Policy

Extra Credit: None

Cheating/Plagiarism: Academic honesty is expected at all times. Any student found to have engaged in academic misconduct such as cheating, plagiarism, or collusion is subject to disciplinary sanctions as outlined in the Student Code of Conduct detailed in the OTC Catalog and Student Handbook. The term “plagiarism” includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. The term “collusion” includes, but is not limited to, the unauthorized collaboration with any other person in preparing work offered for academic credit. Students are advised that faculty routinely use turnitin.com both to prevent plagiarism and to assist in verifying when/if it has occurred.

Dress Code: Ogeechee Technical College strives to train honest, hardworking professionals of good character in a secure environment. That is why appropriate dress and clear display of student ID is expected of every student. On page 32 of the student handbook, the current OTC dress code reads as follows:

Dress requirements vary in classrooms, laboratory, and shop areas. Students enrolled in internships and clinical courses are required to dress appropriately according to the requirements of the work for which they are being trained. Student shall not dress, groom, wear, or use emblems, insignias, badges, or other symbols or lewd or vulgar words where the effect thereof is offensive to a reasonable person or otherwise causes disruption or interference with the orderly operations of the college. The supervising administrator shall determine if the particular mode of dress results in disruptions or interference. Student shall at all times observe rules governing body cleanliness and not wear short or tight shorts, swimsuits, tank tops, bare midriffs, or have bare feet.
Note: Possible sanctions appear on page 33 of the OTC Catalog & Student Handbook.
