

Advanced Emergency Medical Technician (AEMT) Certificate (EMH1)

DESCRIPTION

The Advanced Emergency Medical Technician certificate program prepares students to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. Advanced Emergency Medical Technicians function as part of a comprehensive EMS response, under medical oversight. Advanced Emergency Medical Technicians perform interventions with the basic and advanced equipment typically found on an ambulance. The Advanced Emergency Medical Technician is a link from the scene to the emergency health care system. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians AEMT certification examination and apply for Georgia licensure as an AEMT. This technical certificate of credit replaces the EM01 "Emergency Medical Technician (Intermediate)" technical certificate of credit.

EMPLOYMENT OPPORTUNITIES

Graduates of the program are eligible for employment in fire departments, emergency medical services, hospitals, or industry.

LICENSURE/CERTIFICATION

Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians AEMT certification examination. After successful completion of the NREMT examination for AEMT, students may apply for Georgia state licensure through the State Office of Emergency Medical Services and Trauma (SOEMST).

ADMISSIONS CRITERIA:

1. Applicants must possess a National Registry of Emergency Medical Technician Basic License;
2. Submit a completed application and application fee;
3. Be at least 18 years of age;
4. Submit official high school transcript or GED transcript;
5. Submit official college transcripts, if applicable;
- Meet the following assessment requirements:

TEST	Reading	Writing	Numerical
COMPASS	70	32	26
SAT	430	NA	400
ACT	13	12	17

ADVANCED EMERGENCY MEDICAL TECHNICIAN CURRICULUM

The curriculum for Advanced Emergency Medical Technician program is designed for the semester system. A student may enter the program during fall or summer semesters. To graduate, students must earn a minimum of 10 semester credit hours. The program requires a minimum of 240 contact hours and generally takes one semester to complete.

Program Courses	Credits
EMSP 1510 - Advanced Concepts for the AEMT*	3
EMSP 1520 - Advanced Patient Care for the AEMT*	3
EMSP 1530 - Clinical Applications for the AEMT*	1
EMSP 1540 - Clinical and Practical Applications for the AEMT*	3

*(OL) designation indicates course may be available online during selected semesters. * "C" or higher grade is required for this course.*

PROGRAM COSTS

Tuition/Fees: \$930

Books/Supplies: \$175

Uniform Costs: Approximately \$250*

Liability Insurance: \$46 per fiscal year

Certification Exam: \$250

Criminal Background Check: \$39-\$80

Course Supply Fees:

- EMSP 1520 Advanced Concepts for the AEMT: \$20

(Costs are estimates and are subject to change.)

CLINICAL EDUCATION

Number of Clinical Sites: 7

General Location of the Clinical Sites:

Bulloch, Evans, and Screven Counties

Special Requirements of the Clinical Sites:

6. CPR Certification
7. At the beginning of fall semester, students must submit a physical exam stating that the student is in good health. This must include documentation of TB skin testing, all required immunizations, including Hepatitis B. Students who refuse the Hepatitis B vaccination series must sign a declination form and be aware that clinical sites may refuse to accept them. Forms will be provided by the instructor;
8. Criminal Background Check
9. Urine Drug Screen

Clinical Education Courses

The Advanced Emergency Medical Technology clinical experiences are combined with the courses. Students are provided opportunities for in-depth application and reinforcement of principles and techniques in pre-hospital settings. The clinical experience allows the student to become involved in a professional work situation applying technical skills.

Program faculty will outline the minimum number of hours that will be spent in a supervised work setting. Students may not receive pay from the clinical site for clinical hours. Students are evaluated by the clinical site preceptor.

Clinical Assignments

Clinical times may vary. Some clinical times may be scheduled to include shift work. Clinical sites are selected by the program coordinator. Students are responsible for having reliable transportation to the site.

TOP 10 REASONS

why OTC is the right choice for you!

1. Great-paying careers!
2. Strong **job placement!**
3. Affordable tuition with financial aid options you don't have to pay back!
4. Over 100 majors to choose from!
5. Flexible class scheduling: day, evening, and online classes!
6. Faculty with real-world experience
7. Hands-on learning
8. Small class sizes
9. An Associate's Degree, diploma, or certificate in less 2 years or less!
10. We **GUARANTEE** your education!

GET STARTED TODAY!

1. Select a program! Free career counseling is available.
2. Review the Admissions Checklist and **APPLY** online at www.ogeecheetech.edu!
3. Plan for expenses. You can view tuition and fees and available financial aid options online as well.
