

Health Care Science Certificate (HS21)

DESCRIPTION

The Health Care Science Certificate of Credit is a program that provides academic foundations at the degree level in communications, mathematics, and human relations, as well as technical fundamentals. Program graduates are trained in the underlying fundamentals of health care delivery and are well prepared for employment and subsequent upward mobility.

EMPLOYMENT OPPORTUNITIES

Graduates will be able to perform a variety of duties to assist medical and technical staff.

ADMISSIONS CRITERIA

1. Submit a completed application and application fee;
 2. Be at least 17 years of age
 3. Submit official high school transcript or GED transcript;
 4. Submit official college transcripts, if applicable;
 5. Take the PSB Health Occupations Aptitude Examination and score 30% in four of the five designated areas (excludes spelling (prior to completion of Health Care Science certificate coursework).
 6. Students wishing to become eligible for the Radiologic Technology program cannot receive a work ethics grade lower than 2 in the HCS coursework. Students receiving a 1 or 0 in work ethics from two different instructors will be deemed ineligible for the competitive admission process.
- Meet the following assessment requirements:

TEST	Reading	Writing	Numerical	Algebra
COMPASS	79	62	NA	37
SAT	450	NA	440	NA
ACT	17	16	19	NA

HEALTH CARE SCIENCE CERTIFICATE CURRICULUM

The curriculum for the Health Care Science certificate program is designed for the semester system. A student may enter the program any semester. To graduate, certificate-seeking students must earn a minimum of 35 semester credit hours. The program requires a minimum of 660 contact hours and generally takes 3 semesters to complete.
