Grading Scale
The grading scale is detailed in the Current Catalog and Student handbook and listed below for reference. All faculty members follow this scale when assigning grades to reflect a student’s performance in the classroom.

A  90-100
B  80-89
C  70-79
D  60-69
F  59 and below

Work Ethics Information:
The Technical College System of Georgia instructs and evaluates students on work ethics in all programs of study. Ten work ethics traits have been identified and defined as essential for student success: appearance, attendance, attitude, character, communication, cooperation, organizational skills, productivity, respect, and teamwork. As a student in this Ogeechee Technical College course, you will be expected to adhere to the highest standards of these 10 character traits in your behavior as well as your coursework.

Disability Statement
Students with disabilities who believe that they may need accommodations in this class based on the impact of the disability are encouraged to contact Disability and Student Support Services at http://www.ogeecheetech.edu/future-students/disability-services to coordinate reasonable accommodations.

Special Populations Assistance Program
Students who may qualify for services on campus depending on the special needs they have and if they qualify as a special population should contact Special Populations Services at http://www.ogeecheetech.edu/student-affairs/83 for assistance.
Warranty Statement  The Technical College System of Georgia guarantees employers that graduates of State Technical Colleges shall possess skills and knowledge as prescribed by State Curriculum Standards. Should any graduate-employee within two years of graduation be deemed lacking in said skills, that student shall be retrained in any State Technical College at no charge for instructional costs to either the student or the employer.
