## SIGNATURE

I understand that classes taken in the Ogeechee Technical College (OTC) Dual Enrollment program count for both college and high school credit. I understand that in order to be awarded a college credential, I must achieve appropriate test scores on a validated placement test recognized by the Technical College System of Georgia. I understand that failure to adhere to college rules and regulations and/or failure of a class may impact my high school graduation and/or continuation in the OTC program. I further understand that my academic standing, as well as financial aid standing, may be adversely affected by failure and/or withdrawal in these college courses. I understand I must maintain satisfactory academic progress, as set forth by OTC.

I understand that in order to be eligible for Dual Enrollment funding, I must complete the state of Georgia Dual Enrollment Application every semester. If I fail to complete the Georgia application, I will be responsible for my tuition balance. I understand that OTC will provide textbooks for my Dual Enrollment class(es), and agree to return the textbooks in the same condition that they were given to me. If I fail to return the textbook, I will be responsible for partial or full payment of the value of the textbook. I understand that OTC is not responsible for any accident or injury which may occur in route to and from, or while on the OTC campus.

**OTC is hereby authorized to release to my parent/guardian and to my home high school any and all records/information that is on my permanent record at OTC. I understand that my social security number, grades, tuition, fees, work ethic grades, and other like information are included in my permanent record at OTC.**

I understand that Joint Enrollment is not covered by the Dual Enrollment program and I will not receive high school credit. I understand I can self-pay or use HOPE grant to cover partial tuition and are responsible for the cost of textbooks. These hours **do** count against HOPE cap.

I also realize that during my training at Ogeechee Technical College, photographs may be taken of me for use in promoting the College. Unless stated below, I give permission for this to be done. Also, unless stated below, I give my permission for the release of directory information concerning name, address, program of study, and honors and awards.
