Veterinary Technology Sonographer Certificate (VT11)

Description
The Veterinary Technology Sonographer certificate program will provide the skills needed for a Veterinary Technician or Diagnostic Medical Sonographer to produce sonographic images of the small animal. This will extend the abilities of the veterinarian to provide advanced diagnostics to patients.

Employment Opportunities
Graduates of this program are prepared to work with veterinarians.

Admissions Criteria
- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or GED transcript;
- Applicants must meet ONE of the following:
  - Be a graduate of the diagnostic medical sonography program
  - Obtained a diploma or degree from an accredited VETT program
  - Be a licensed DVM
  - Be currently enrolled in VETT program and have completed the Vet Assistant courses
- Meet the following assessment requirements:
