

OGEECHEE TECHNICAL COLLEGE CONSTRUCTION MANAGEMENT

WHY CONSTRUCTION MANAGEMENT

Construction managers plan, coordinate, budget, and supervise construction projects from start to finish. An improved economy has created a demand for new buildings, roads, and other structures, creating new job openings within the construction industry. Because of this growth, Bureau of Labor statistics cite a **10% PROJECTED GROWTH** for **CONSTRUCTION MANAGERS** in the next ten years. This demand has opened the doors for motivated individuals to lead the construction effort.
