We expect students to govern themselves according to the rules and regulations established in the Ogeechee Technical College Driver's Education Registration Packet.

Course Info

This is a state certified training course and meets the requirements for Joshua's Law. The training consists of 30 hours of classroom instruction and six (6) hours of behind-the-wheel driving with a certified driving instructor. Instruction must be completed within six (6) months per policy of the Technical College System of Georgia.

Parent Orientation

A parent or legal guardian is required to sign his/her child in on the first day of class and attend a 15-minute orientation session.

Class Times & Lunch

Class meets Monday through Thursday from 8 a.m. to 5 p.m. Lunch will be from 11:30 a.m. – 12:30 p.m. each day. Parents are responsible for dropping-off and picking-up their student at the designated time each day. Students are responsible for their own lunch. The campus does offer a cafe with daily lunch offerings, snacks, and beverages. **Students may not leave campus unless authorized by their parents/guardian.** If students are to be picked up for lunch, or allowed to leave campus for lunch, please provide that information on the Off-Campus Leave Form. Ogeechee Technical College is not responsible for any student who leaves the campus and did not have permission to do so via the Off-Campus Leave Form.

Behind-the-Wheel Driving

Students will begin the 6-hour behind-the-wheel driving once they complete the classroom portion of the course. Appointments are scheduled in two (2) hour increments through an online scheduling system. You will need to sign your child up for three (3) driving appointments. Appointment cancellations can be made up to 72 hours before the scheduled appointment time. Students who fail to show up for their scheduled appointment or fail to cancel by the cancellation deadline will be charged a \$50 rescheduling fee. Additional information regarding the driving appointments will be provided during the parent orientation.

Attendance Policy

In order to receive the completion certificate, the student must complete 30 hours of classroom and six (6) hours of behind-the-wheel instruction. Students are expected to attend class every day as scheduled. We understand that absences happen. If a student must be absent, please contact the Continuing Education office for approval. **It is the student's responsibility to make up any missed time.**

Textbook and ID Badges

Textbooks and ID badges are issued to each student on the first day of class. The student must return the **textbook** in the same condition as issued on the first day of class. **There is a \$25 fee for textbooks that are not returned in good condition on the last day of class.** Campus Police requires each student to wear an ID badge on the front of his/her shirt at all times while on campus. Students are responsible for keeping up with their badge. Students must report lost/stolen badges to the instructor or campus police as soon as possible. Badges must be turned into the instructor on the last day of class. **Students who fail to turn in their badge on the last day of class will incur a \$5 fee.**
