POWER THE PURPOSE

of the Ogeechee Technical
College Foundation through
impactful giving.

Ogeechee Tech students are taking the next step towards fulfilling a dream for a better job, a promotion, or a better life. Your investment in Ogeechee Tech helps Power the Purpose for students who are driven, determined and have an unstoppable work ethic. Your generous donations are critical to student success.

WHY GIVE?

The Ogeechee Technical College Foundation, Inc. helps support the college's mission and vision of providing student-centered academic and occupational programs and support services by providing our students with affordable and flexible learning opportunities. Your gift enables students to gain an in-demand college education, provide resources to our dedicated faculty and staff, offer cutting edge technology and equipment and strengthen our communities' workforce.

WAYS TO GIVE?

The Foundation receives various types of gifts, with the unrestricted cash being the most useful. Other gifts come in the form of restricted funds, equipment, endowments, stocks and bonds, life insurance gifts and will bequests.

WHERE TO GIVE?

The choice is yours! You have the opportunity to direct your gift to an area that you are proud to support. Whether it's a certain program, department, scholarships, or the library, your gift will make a positive impact! You should also consider the general fund, which directly funds the area of greatest need.

HOW MUCH TO GIVE?

Gifts of all sizes make a difference – because what is most important is showing your support!

Every gift helps to Power the Purpose at Ogeechee Tech!

"I learned that tuition doesn't pay for everything. It takes donations and it takes a foundation to fund things like the lab I studied in."

Deborah Jones
Diagnostic Sonography Graduate

"With two children and one on the way, my scholarship ensures that I don't have to take money I would spend on my family and use it on books or other parts of my education."

Adam Anderson
Culinary Arts Student

"I want to thank the sponsors and the OTC Foundation for giving students like me the opportunity and chance to strive toward something better."

Krishna Basdeo
Health Care Assistant Student
