WHY NURSING

Our Practical Nursing program prepares graduates to provide **QUALITY PATIENT CARE** through academic and occupational knowledge attained throughout their program of study. US Bureau of Labor statistics project an estimated **211,800 NEW JOBS IN THIS FIELD THROUGH 2034**. An aging baby-boomer population gives rise to the overall need for healthcare services. A career in nursing can be gratifying and rewarding. If you are looking for job security, a continuous learning experience, diverse job opportunity, and have a desire to provide **COMPASSIONATE CARE** to patients in a medical environment, this program may be what you are looking for. Over **660,000 NURSING AIDE JOBS** in nursing homes alone will need to be filled through 2034.
