Pending Business:

- Student Leadership Council (SLC) Officers are still needed for 2015-2016 terms; Historian/Reporter & Treasurer. If you are interested in serving please contact Beckie Snyder or Marilyn Turner.
- An Incentive Program was introduced. SLC members will earn incentive points for meeting attendance, volunteering at events, high GPA, etc. Points will accrue over the academic year (fall, spring, summer). Points can be turned in for the incentive prizes like attendance at the Georgia Fall Leadership Conference, t-shirts, backpacks and more. (Exhibit II)
- SLC is sponsoring the local soup kitchen (First United Methodist Church) on October 3, 2015. Volunteers are needed from 8:30 am-1:00 pm. Children are invited provided they can work. We will be making spaghetti with garlic bread, green beans and dessert. Sign-up sheet is at the front of the meeting room.

Teamwork Exercise:

- Marilyn Turner asked for eight volunteers. The volunteers stood in a circle and had to take their right hands and cross over to hold hands with someone else in the circle, then do the same with

their left. The students then had to “untangle” the circle without letting go of the hands they were holding.

- The object was to get the students to work as a team and communicate with each other to get untangled.

Guest Speaker: Molly Bickerton, Organizational Skills (Exhibit III)

- Molly reviewed some of the fun facts related to being organized and disorganized.
 - We wear 20% of the clothes we own 80% of the time.
 - The average American burns 55 minutes a day, roughly 12 weeks a year, looking for things they know they own but can't find.
 - The average employee spends 400 hours per year searching for paper documents.
 - As leaders, it is important to do a self-exploration to find out if you are organized or disorganized. How do you start and end your day?
 - If you would like help getting organized, please contact Molly Bickerton, mbickerton@ogeecheetech.edu, and she will be happy to help you.
